

## ‘Priorité was a life-saver for me.’

Olivier Racine is a writer of adventure novels, which means he travels a lot. For him, Priorité is like a personal assistant wherever he is – even at the Afghanistan-Pakistan border.

‘In Afghanistan, I had to prove that I was a writer and not a journalist. But nobody was picking up the phone at the publishers’ and I didn’t have access to my emails. So I rang Priorité. They sorted out the problem with my inbox right away and I was able to continue my journey.’
